Leslie V. Farland, ScD  
Assistant Professor, Department of Epidemiology and Biostatistics  
College of Public Health  

Melissa Herbst-Kralovetz, PhD  
Associate Professor  
Director, Women’s Health Research Program  
Department of Basic Medical Sciences  
Department of Obstetrics and Gynecology  

**Presentation**  
Reproductive and Gynecologic Health and Risk of Cancer: An Epidemiologic Perspective  

**Presentation**  
Predicting Features of The Cervical Cancer Microenvironment by Integrating  

---  

**Friday, November 6, 2020**  
12:00 – 1:00 PM  

Join via ZOOM: [https://arizona.zoom.us/j/98974505299](https://arizona.zoom.us/j/98974505299)

Learning Objectives:

Dr. Leslie Farland

**Presentation:** “Reproductive and Gynecologic Health and Risk of Cancer: An Epidemiologic Perspective”

1. Understand how gynecologic and reproductive health may be associated with cancer risk and long-term health outcomes
2. Describe overlapping risk factors associated with both reproductive health outcomes and cancer
3. Recognize the epidemiologic complexity and potential for bias in studies of reproductive health

Dr. Melissa Herbst-Kralovetz

**Presentation:** "Predicting Features of The Cervical Cancer Microenvironment by Integrating Multi-omics Analyses"

1. Identify the key bacteria that inhabits the cervicovaginal microenvironment.
2. Compare and contrast the physiological mechanisms of cervicovaginal bacteria associated with healthy vs. disease states, including cervical cancer.
3. Relate the microbiome and integration of other features of the cervicovaginal microenvironment to gynecologic cancer.

Accreditation Statement:
The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement:
All Faculty, CME Planning Committee Members, and the CME Office Reviewer have disclosed that they have no financial relationships with commercial interests that would constitute a conflict of interest concerning this CME activity.
